

National Trade Counter Roll Out

Toolstation, UK

Bradley-Mason LLP have been working with Toolstation Ltd for over ten years as lead property consultants in their expansion and national roll-out of trade counters and warehouses.

Our services for the roll-out typically include:-

- Producing the initial pre-acquisition building survey report;
- Negotiating with the Landlord in terms of defects, contract documents, warranties etc;
- Arranging Landlord's consent for fit out;
- Obtaining local authority approvals such as planning permission and building regulations approval;
- Design and specification of fit-out documentation;
- Project management of fit outs;
- Dilapidations and site relocations on initial 10 year Lease.

Throughout the process our dedicated team provides reasoned and practical advice which draws upon a wealth of past experience.

With a total of 570 trade counters completed so far and more in the pipeline it is clear to see why our clients choose to use our services time and time again.
