

Retail Sector

Bradley-Mason LLP have extensive experience of property consultancy within the retail sector. We are able to offer a wide range of services including acquisition surveys, dilapidations negotiations, project management, party wall and neighbourly matters advice, asbestos surveys and energy performance certificates. With our quick turnaround, transparent fee structure and wealth of experience it is easy to see why our 'no-compromise' property solutions have secured us an impressive portfolio of loyal clients.

Dixons Store Group:

We are appointed on a national basis to advise on all professional building surveying matters including dilapidations, acquisitions, party wall matters and repair projects.

Cheque Centres:

Following our client's buyout of the small company we acted nationally in their roll-out of a new high street chain. Over a 2 year period we surveyed over 300 properties and designed and managed the fit out of 150 stores.

Lush:

Since our initial appointment in 2010 we have provided Lush with acquisition, dilapidations and defect advice on their countrywide portfolio.

Thorntons:

For over 9 years we have provided Thorntons with the full range of professional and project consultancy services across their UK and Ireland portfolio.

Raft Furniture:

Following our appointment on a trial store in 2012 we have now been appointed to undertake the due diligence surveys on this new national roll-out.

TK Maxx:

Subsequent to our successful negotiation of a dilapidations claim on a distribution centre (where a £1.1m claim was settled at £300k) we have been appointed on a national basis to deal with all dilapidations and professional building surveying matters.
